Mag-03-TA Product Adaptor Mounting Plate

The Mag-03-TA product adaptor mounting plate is for mounting sensors other than the Mag-03 range on the Mag-03-TA tripod adaptor.

The plate can be used for mounting:

- Mag628/669/Spacemag sensor head
- Mag648/649/678/679
- Mag670
- Mag690

INSTRUCTIONS

1. Fasten the mounting plate to the tripod adaptor using the mounting holes circled in yellow. The screws go through the adaptor from below and screw into the plate.
2. Fasten your sensor to the plate using the appropriate holes as shown.
    - For the tapped holes, the screws go through the sensor and screw into the plate.
    - For the non-tapped holes, the screws go through the plate and screw into the sensor.
